WHO WE ARE

Vermont Legal Aid is a statewide, non-profit law firm with a social justice mission. We provide free legal services to Vermonters facing civil legal problems that threaten their rights and well-being.

Our Low-Income Taxpayer Clinic (LITC) is an independent program that helps low-income individuals who have tax problems with the IRS. We also provide education to taxpayers who have limited English proficiency. The LITC is an independent program not affiliated with the IRS.

"I truly can't thank you enough. You've been such a big help for me and I'm sure you don't even know what a difference this makes for me and my family."

HOW WE HELP

Solving IRS Issues

We can help when...

- the IRS holds your refund
- you owe money to the IRS
- the IRS is auditing your tax return
- the IRS is putting a lien or levy on your property or income
- you get a letter from the IRS and aren't sure how to respond.

In most cases, the LITC doesn't prepare tax returns.

The LITC is not part of or endorsed by the IRS. Your decision to call the LITC will not affect your rights before the IRS.

Education

We help you understand your tax rights and responsibilities. We coordinate with community organizations to provide education and outreach.
