## WHO WE ARE

**Vermont Legal Aid** is a statewide, non-profit law firm with a social justice mission. We provide free legal services to Vermonters facing civil legal problems that threaten their rights and well-being.

Our **Disability Law Project (DLP)** provides a range of legal services from quick advice to full representation for Vermonters with disabilities and their families.

**“When my son was denied access to public school, I was devastated. I knew what was happening, but not what was legal, and the DLP was just what I needed. They provided fair representation to a person who was clearly discriminated against.”**
