CLIENT ASSISTANCE PROGRAM (CAP)
Free legal help for Vermonters with disabilities

https://vtlawhelp.org | 1-800-889-2047
WHO WE ARE

Vermont Legal Aid is a statewide, non-profit law firm with a social justice mission. We provide free legal services to Vermonters facing civil legal problems that threaten their rights and well-being.

The Client Assistance Program (CAP) advocates for and protects the rights of individuals with disabilities who apply for or receive employment-related rehabilitation services from these agencies and programs funded under the Rehabilitation Act:
- Division of Vocational Rehabilitation (VR)
- Vermont Center for Independent Living
- Division for the Blind and Visually Impaired
- Vermont Association for the Blind and Visually Impaired
- Vermont Association for Business, Industry and Rehabilitation
- School-to-Work Transition Services

CAP is a federally funded program.

HOW WE HELP

CAP helps individuals understand their rights and get access to services. We:
- Inform you about the services and benefits available under the Rehabilitation Act and Title I of the Americans with Disabilities Act
- Advocate for you to get the services you need
- Investigate complaints about services
- Help you resolve problems with your counselor or agency
- Help you appeal agency decisions
- Challenge system-wide problems that make it hard for you and others to access services
- Advise agencies on changes to policies and procedures that will result in improved services

“[CAP] set up meetings, phone calls and step by step explained the process clearly. [CAP] salvaged my relationship with Voc Rehab and set me on a better path to recovery and to start a positive journey to move forward.”

- VLA Client

WHO WE HELP

CAP helps people who:
- Were turned down for VR services
- Think the process is taking too long
- Are having trouble with their VR counselor
- Aren’t getting the employment-related services they need
- Had their VR case closed without their consent
- Are students with disabilities who are not getting needed VR services

Any information you give CAP is private. We only release your information if you tell us in writing we can. We will not contact agencies for you without your consent.
