## WHO WE ARE

**Vermont Legal Aid** is a statewide, non-profit law firm with a social justice mission. We provide free legal services to Vermonters facing civil legal problems that threaten their rights and well-being.

The Elder Law Project provides a full range of civil legal services to Vermonters aged 60 and over. We also handle Medicare appeals as part of the **Medicare Advocacy Project (MAP)**.

**"The VLA attorney did an excellent job handling the case. He was extremely professional, courteous, and prompt. Thank you for everything!"**

## HOW WE HELP

### Healthcare and Medicare Advocacy

We help older Vermonters with Long Term Care Medicaid (Choices for Care) denials and appeals. Our **Medicare Advocacy Project** represents the State of Vermont and dual-eligible beneficiaries in appeals of Medicare eligibility of home health services and skilled nursing facility services.

### Abuse and Financial Exploitation

We help older Vermonters who have suffered abuse, neglect, and financial exploitation.

### Housing and Benefits

We help older Vermonters preserve their rental assistance subsidies and defend against evictions. We also assist our clients with state and federal benefit programs, such as Medicaid, 3Squares VT, and Social Security overpayments.

### Individual Rights and Advance Planning

We help older Vermonters with advance planning documents such as Financial Powers of Attorney and Healthcare Advance Directives. We also help defend our clients' rights in guardianship hearings and defend against discharges from nursing homes, assisted living facilities, and residential care facilities.

## WHO WE HELP

We provide direct representation and give legal advice to older Vermonters facing civil legal problems. We also work to protect and expand the rights of older Vermonters in the state legislature and with state and federal agencies.

**"The attorneys who helped me were efficient, very competent, but best of all they were kind, patient and compassionate."**
